The CATIC Foundation Provides Financial Support to Food Banks

The CATIC Foundation, the charitable arm of the CATIC Financial Family of Companies, has awarded more than a dozen cash grants to various food banks located throughout New England, New York, New Jersey, and Florida. In announcing the grants, James M. Czapiga, President and CEO of CATIC, acknowledged the extraordinary circumstances that we find ourselves in due to the COVID-19 crisis. The funds provided by the CATIC Foundation will support the great work of these food banks in distributing goods to those who are most in need.

CATIC would also like to give a special thank you to Attorney Robert S. Carey for his assistance in facilitating these donations. Carey has been a member of the Board of Directors of the CATIC Foundation for two decades and is currently its President.

About the Foundation:
